

# Phoenix CMR Inc. Glen Event Series

## PRE TECH Vehicle Inspection Sheet

(This is a two page document)

Owner _____	Car Registration Number _____		
Year _____	Make _____	Model _____	Color _____

_____ <b>HELMET</b>	Must be rated Snell 2010 or newer. "SA" and "SAH" rated helmets are strongly recommended. Helmets must fit properly.
_____ <b>SEAT BELTS</b>	Belts must be in good condition and securely mounted. DOT or competition type.
_____ <b>TIRES</b>	Street tires must have a minimum of 3/32" tread remaining. Racing tires have no minimum. Tires must be free of defects of any kind.
_____ <b>WHEELS</b>	Wheels must be free of damage. All lug nuts or restraining devices must be in place. Wheel bearings checked and greased. (Participant responsible for trackside lug nut adjustments)
_____ <b>INTERIOR</b>	No loose items of any kind in the vehicle.
_____ <b>BRAKES</b>	Push brake pedal and hold for approximately 10 seconds. Pedal should be firm and there can-not be any leaks.
_____ <b>BRAKE LIGHTS</b>	Must light RED and be functioning.
_____ <b>STEERING</b>	No excessive play in the steering wheel.
_____ <b>FLUID LEAKS</b>	NO fluid leaks of any kind are allowed.
_____ <b>ENGINE</b>	Check engine running. No excessive engine vibration and NO fluid leaks.
_____ <b>EXHAUST SYSTEM</b>	Other than stock or race configuration exhaust, the exhaust pipe(s) must exit the underside of the vehicle at a minimum distance of 1" beyond the contour of the rear bodywork or bumper. Side exit exhaust may be flush with rocker panel or ground effects. Pipe(s) must be secure and free of leaks.
_____ <b>BATTERY</b>	Battery must be properly installed. <b>NO ACIDLEAKS.</b> Cables in good working order.
_____ <b>BELTS/HOSES</b>	Check belts and hoses for cracks and leaks. Look for potential failure.
_____ <b>WINDSHIELD</b>	No cracks in the wiper track. No obstructions to the drivers view.
_____ <b>MIRRORS</b>	At least one rear view mirror with unobstructed view.
_____ <b>TRUNK AREA</b>	No loose items in trunk. Spare tire, lug wrench, etc. secured.
_____ <b>ROLL BAR</b>	Required for all convertibles.
<b>Additional Notes:</b> _____	
_____	
_____	

# Event Rules and Code of Conduct

- Two black flags in the same session, park for the remainder of that session.
- Contact with track barriers and or equipment and the ability to continue, park for the remainder of that session and mandatory park for the next session.
- Impact and unable to continue, park for the remainder of the day.
- Vehicle to vehicle contact, dismissal.

Reasons For Dismissal other than those listed above:

- Confrontational behavior with either the event organizers or track staff
- Driving or paddock behavior that endangers other participants
- Physical or severe verbal confrontation between drivers, crew or guests
- Violation of guest rules

Responsibilities:

- When using externally mounted cameras, if any part of the device leaves your vehicle, you are responsible for any damage caused to another participants vehicle(s).

## Driver's Acknowledgement of Pre Tech Inspection and Event Rules and Code of Conduct

I have read this document and agree to abide by these rules and conditions. I have also read and understand the event confirmation packet posted on the event web site [www.phoenixcmr.com](http://www.phoenixcmr.com). I further certify that I have performed the inspections on the vehicle described in this document and except as otherwise noted on reverse side, the vehicle meets or exceeds the minimum requirements for this event. I further acknowledge that I am responsible for any and all damages I cause to the racing facility, on or off track.
