As was true last year, Watkins Glen International is requiring that all non-participant guests at the track be sponsored by a Glen Event Series participant. This list is only for those persons not arriving at the track with you and therefore not signing the track waiver at Gate 2 in your presence. This list is required for those persons that may join you after the event has begun each day. Your guests are required to locate you immediately and you must escort your visitors to the registrar each day to receive a wristband and by doing so, take responsibility for their actions while they are at the facility. Fill out this form and give it to one of the registrars at registration no later than 8 AM. This is a racing facility and although this is a driving school, when the track is green, all normal race day security provisions are in place and active. **The Glen Event Staff is not responsible for your guests, you are.**

Guest Policy at Watkins Glen International:

- A list of guests expected to arrive unescorted by a participant must be turned in by the event staff at the main gate by 9am on the first morning of the event. This means that your list must be to the event staff no later than 8am. **No additions will be accepted once the list has been turned in.**
- Guests are instructed to park their vehicles in the Paddock area. (refer to supplied map)
- All guests must register with Customer's (event staff) Registrar upon arrival and must wear a wristband indicating their status.
- Unescorted guests must remain in the garage/paddock area.
- No ATV's, carts, roller blades, motorized skateboards or bicycles are allowed.
- Children must be under the direct supervision of an adult **at all times.**

There are no second chance rules in place. The Glen Event series staff works closely with event security to insure a safe and enjoyable event for every one. Any violations of these rules will constitute immediate dismissal from the facility.
